**INTERNATIONAL
ACADEMIC INTERCHANGE AGREEMENT**

between

AUBURN UNIVERSITY

and

University of Lampung (UNILA)

AUBURN UNIVERSITY, Auburn, Alabama, USA, and University of Lampung (UNILA), Lampung, Indonesia, wishing to develop cooperative relations on the basis of established contacts and mutual understandings, especially to develop academic and cultural interchange through mutual assistance in the areas of education and research, agree as follows:

PART I

Area of Cooperation

The area of cooperation includes, subject to mutual consent and appropriate conditions, any program offered at either university and proposed by either as desirable, feasible, and contributory to the fostering and development of the cooperative relationship between the two universities.

PART II

Methods

All understandings and assistance shall be subject to availability of funds and the specific approval of the President of AUBURN UNIVERSITY and of the President of University of Lampung (UNILA), through such activities or programs as:

1. Exchange of faculty members and technical staff
2. Exchange of students
3. Conduct joint research activities
4. Participation in seminars and academic meetings
5. Special short-term academic programs
6. Cultural exchange activities
7. Joint participation in international training courses
8. Provide for graduate and undergraduate coursework at Auburn University
9. Provide opportunities for staff development for both universities by participation in sabbatical leave and other personnel development programs
10. Engage in consultancies
11. Other activities as deemed mutually appropriate.

The terms of such mutual assistance and necessary budget for each program and activity shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of the particular activity or program. Furthermore, it is understood that each institution will enter into specific program-by-program written agreements as required for compliance with the respective immigration regulations of the parties involved. Each university will designate a Liaison/Contact Officer to develop specific activities or programs for approval of the respective presidents.

PART III

Effective Date and Length of Agreement

This agreement will remain in force for a period of five years subject to the availability of funds, and any amendment and/or modification of this agreement requires a written approval of the President of AUBURN UNIVERSITY and that of the President of University of Lampung (UNILA) and shall be appended hereto. After the initial five-year period, this agreement may be renewed by mutual written consent.

Either party reserves the right to terminate this agreement upon six (6) months written notice to the other. Any individual activities to be continued will be specifically identified and provided for at the time of termination.

Each party shall be responsible for assuring full compliance by its participants with applicable laws and regulations, including insurance, of the respective nations.

Nothing contained herein or in the activities conducted hereunder shall constitute either party the agent, servant or employee of the other party, and each party shall be fully and solely responsible for its own actions and obligations.

History: Lampung University is one of the largest universities in Indonesia and the University has a very big Agricultural Engineering program. The department and the University, in general, is very active in bioenergy and biofuel research.

Link to Strategic Plan, Why this is important: This agreement is to explore opportunities to share research and students and to look for ways to collaborate in grant opportunities. Auburn faculty submitted a proposal to USAID Indonesia where it was important to demonstrate that Auburn and Lampung Universities had an MOU in place.

Outcomes: The agreement will facilitate student/faculty exchange as well as other options.
