

# Honey Bee Technician Needed

**SPRING-SUMMER-FALL 2019**

We are looking for a technician to assist us in multiple research projects related to honey bees.

## **POSITION – APRIL-OCTOBER (\$10)**

\*Performance based raises possible

Some of the work will be performed in the lab (w/ A/C ☺); but be prepared for toasty, humid conditions when we work outdoors!

### **Example duties include:**

- Build and paint equipment
- Honey bee colony management
- Honey extraction
- Clean equipment
- Data entering in Excel

### **Required Qualifications:**

- Not scared of/allergic to bees
- Interest in entomology or related discipline
- Ability to work outside for long periods
- Ability to work independently and as part of a team
- Valid U.S driver's license.

### **Desired Skills:**

- Team worker
- Experience in data entry
- Exceptional communication skills!

**AU-BEES**  
AT AUBURN UNIVERSITY.
